

**Tutorials** - meetings with a personal tutor on several occasions during the year to support your academic development.

**Self study** - studying and revising in your own time each week.

**Seminars** - these are small group sessions and usually involve discussions.

**Lectures** - this is the class or teaching part of your course.

**Lecture theatre** - these are where lectures are given. Some can hold up to 200 people while others are like a classroom.

**University's Disability Service** - ensures individual needs are assessed and give support recommendations for your course and wider University life.

**Fresher** - name given to first year students.

**Students' Union** - put together social events, sports and societies for a wide range of different hobbies and interests. It is run by students to help each other.

**Bedroom** - to study and sleep in.

**Canteen** - to eat in, to meet & chat to new people and friends.

**Halls** - where students live.
