

# Revision and Graphic Organisers

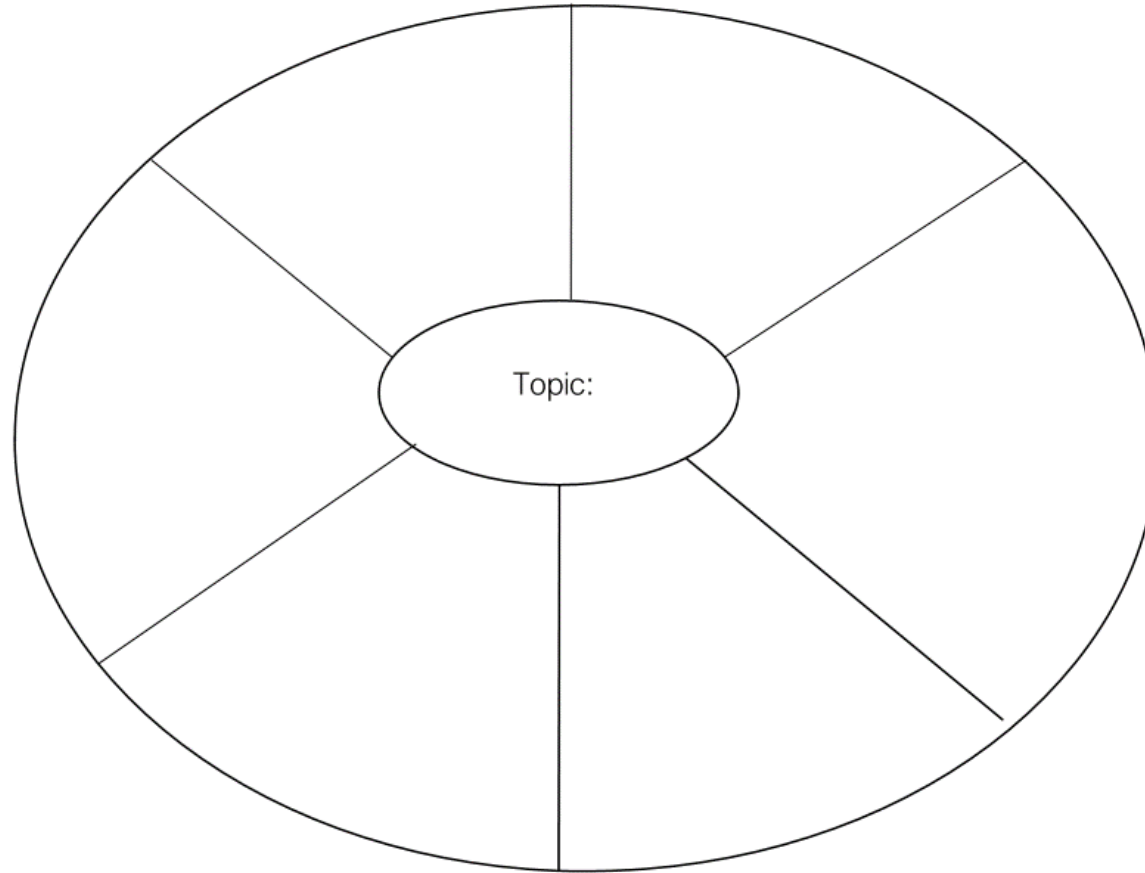

J Frazer

# Graphic organisers

Graphic organisers help with organisation and working memory. They provide a visual display of information and can be used for many tasks such as:

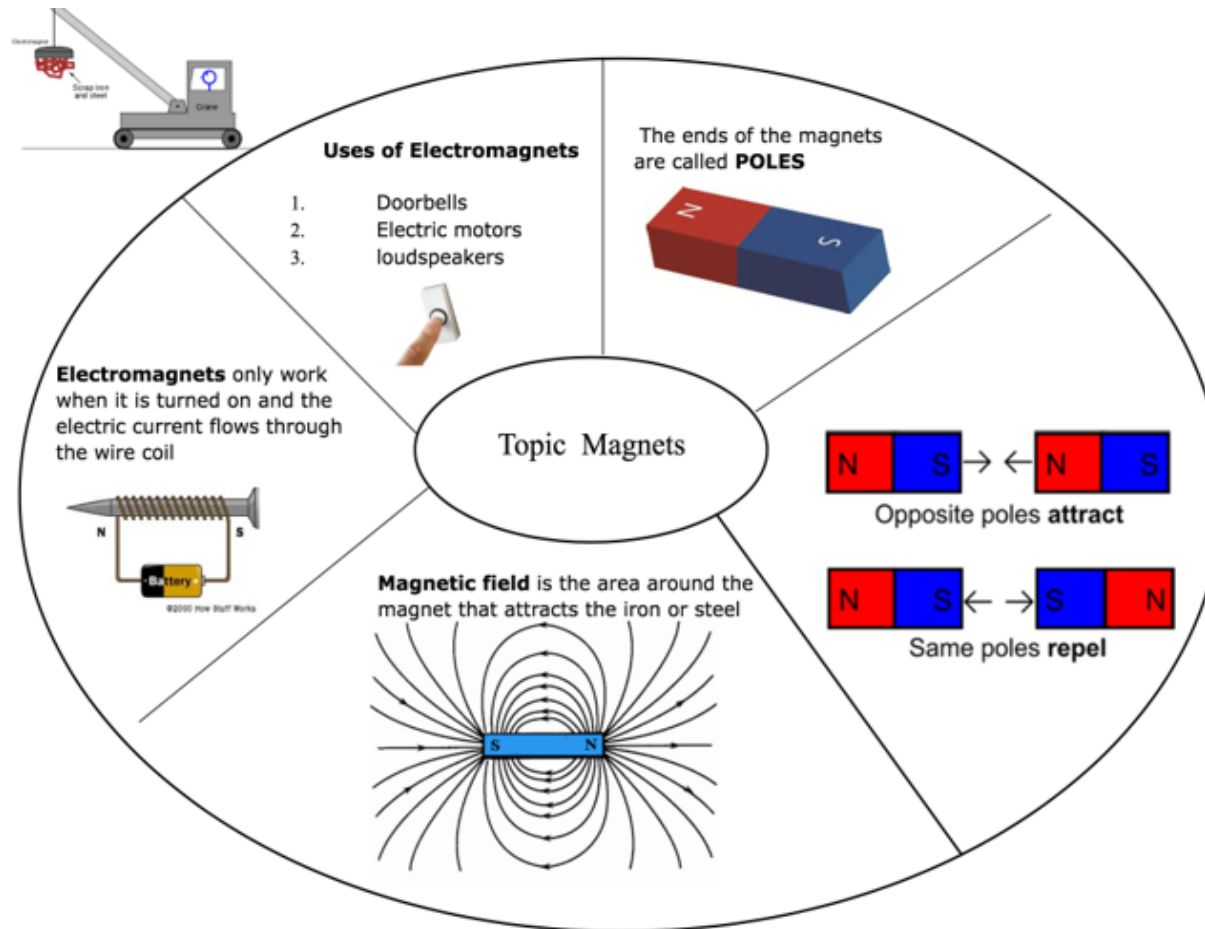

- Revision
- Structured writing projects
- Planned research
- Brainstorming
- Decision making
- Problem solving

Concept wheels are very flexible graphic organisers and can be used in many subjects

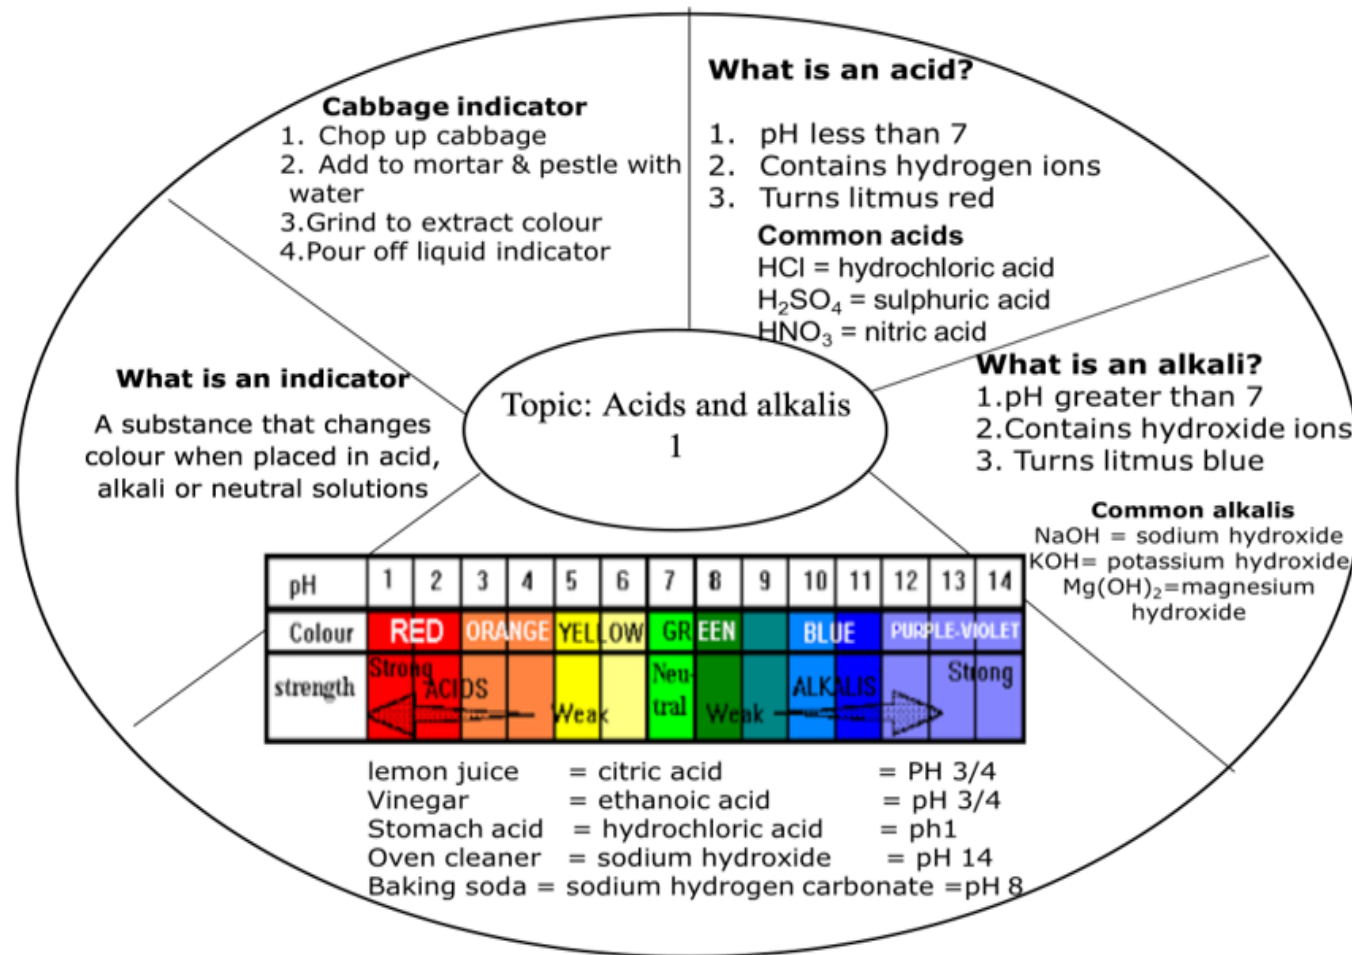

# Science

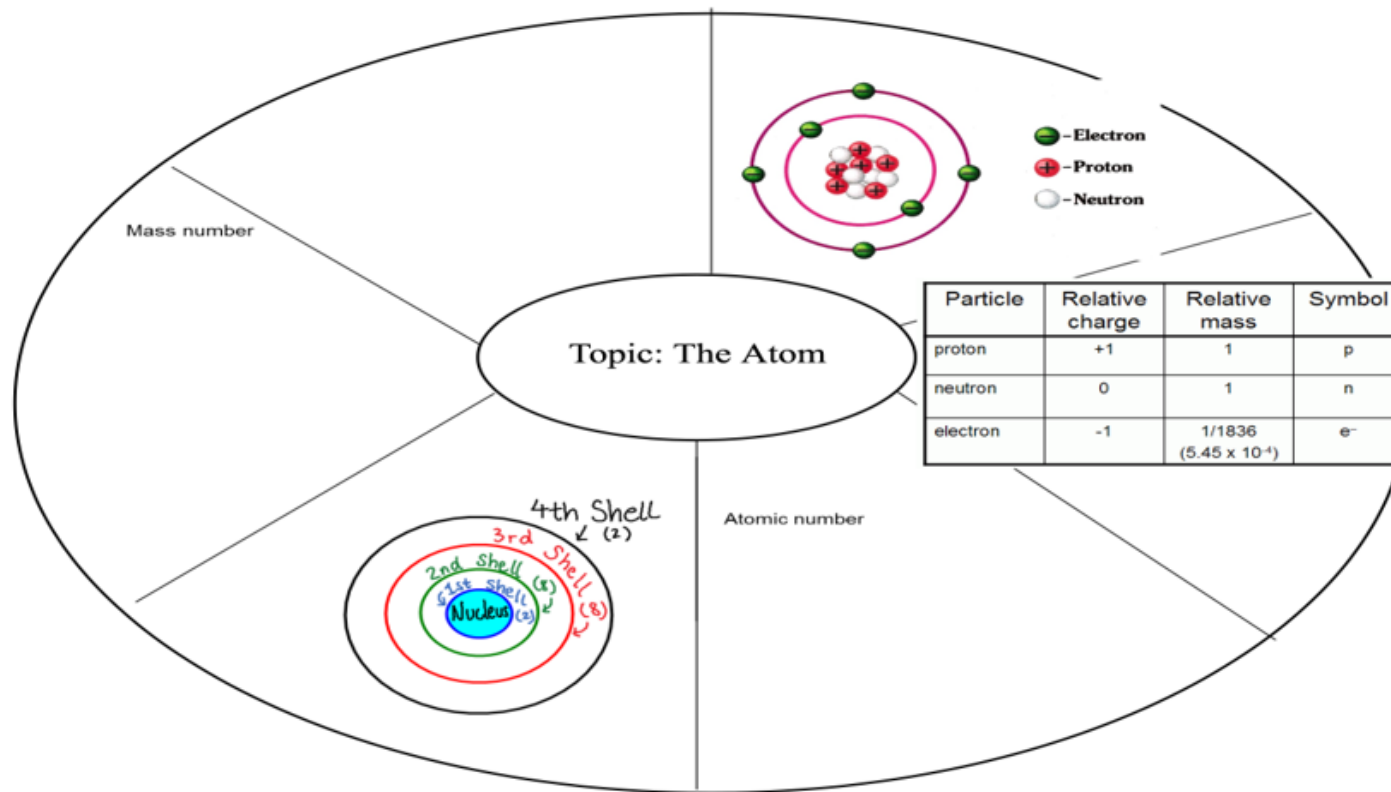

This concept wheel summarises key facts in the year 8 topic of magnetism

# KS 3 Science topic of Acids and Alkalis

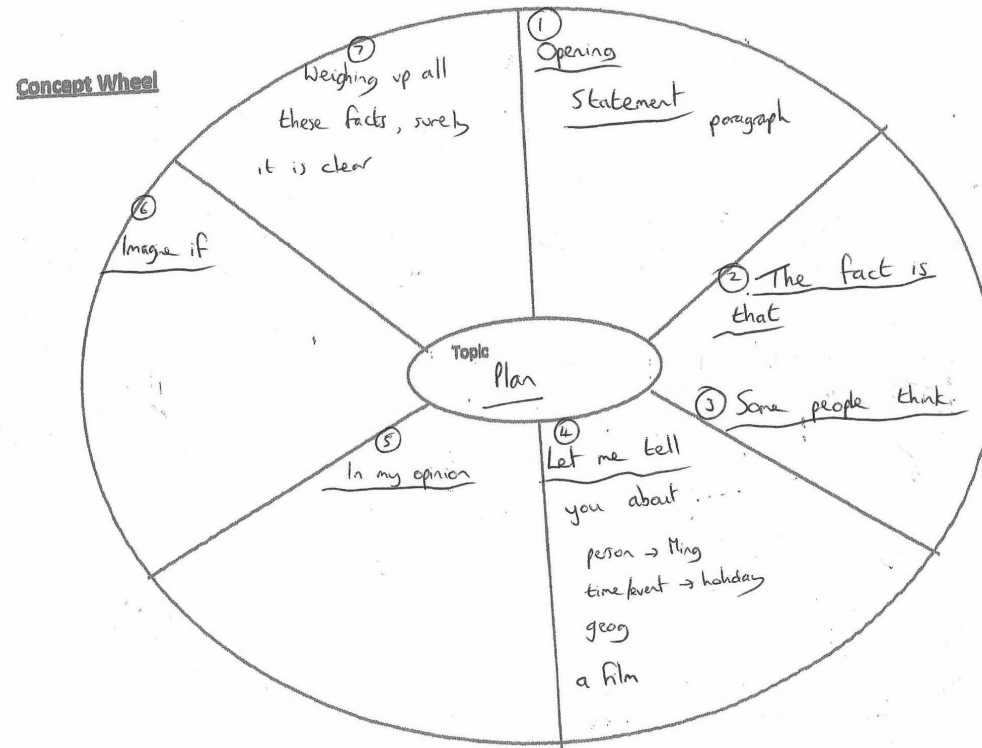

A partially completed concept wheel used to test a topic

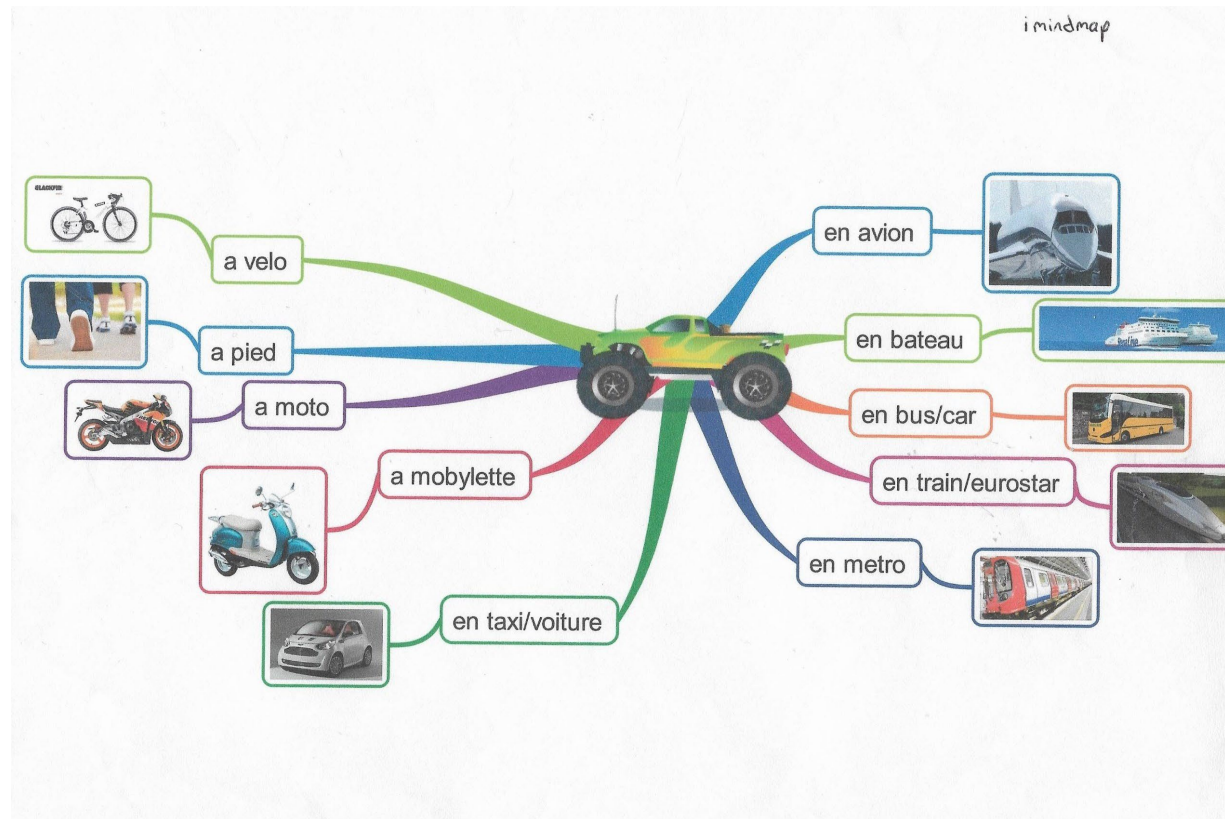

# English

Planning an essay can be a daunting task this graphic organiser provides a structure for an argumentative essay

# French

A mind map to help learn the names of vehicles in French
