

We can still keep doing fun things like riding our bikes with our family

Soon you can buy yourself something nice in a shop - maybe some sweets or ice-cream!

We can always
draw nice
pictures to give to
our friends and
family!

Your are doing
great at washing
your hands often!

This will help to
keep the germs
away

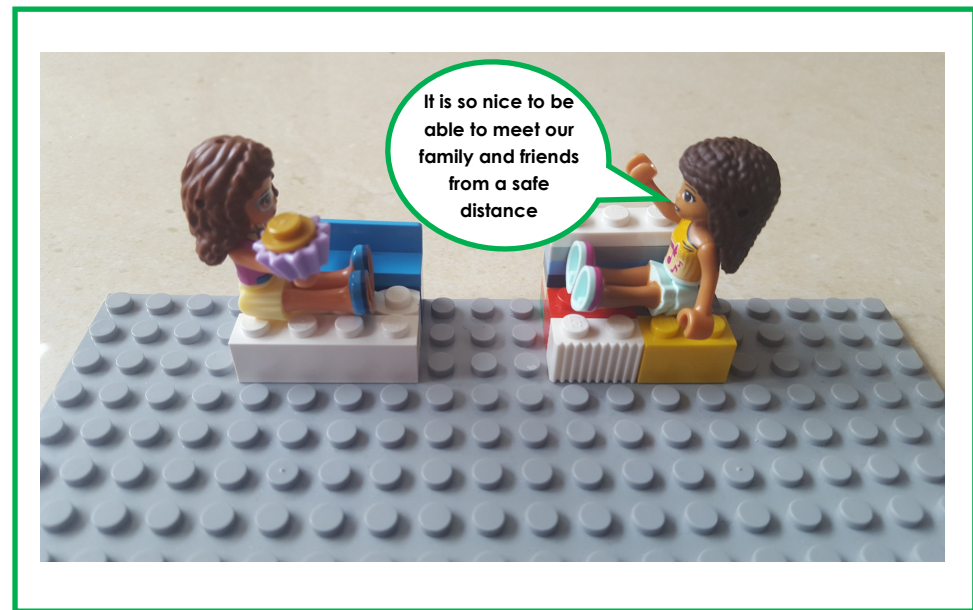

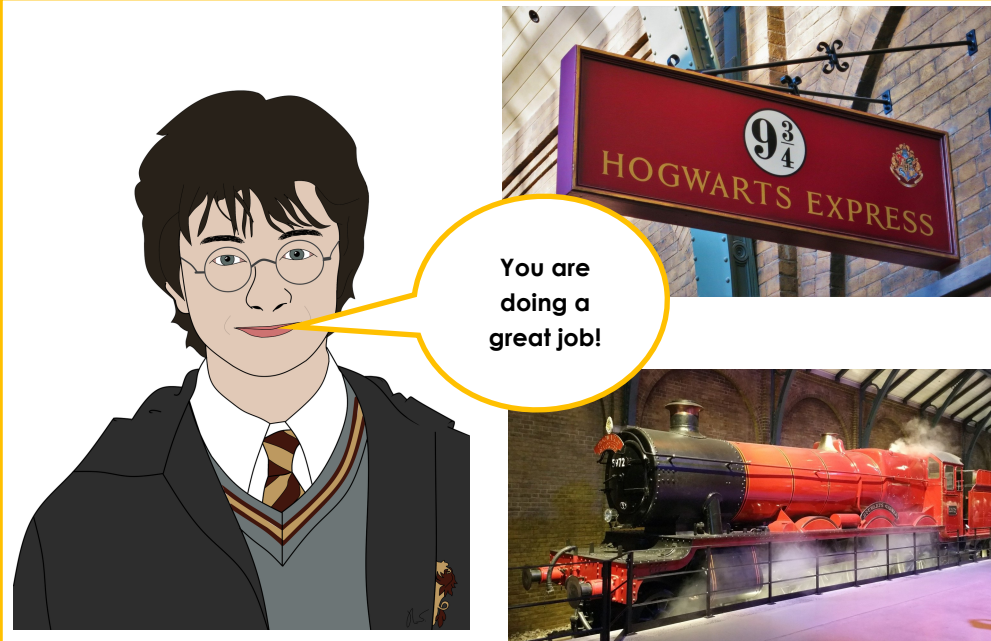

You are such a great help to your family helping to get all those jobs finished in the house!

It is good you are spending lots of time playing in your garden!

Well done my friend, you are doing a great job keeping safe!

You can remember the social distance rule when you see family and friends

Remember you can
always talk, video call
or even email your
friends and family!

It is good to keep in
touch

Someday soon we will
be able to give each
other the biggest hug!

We just have to wait a
little bit longer until it is
safe to do so

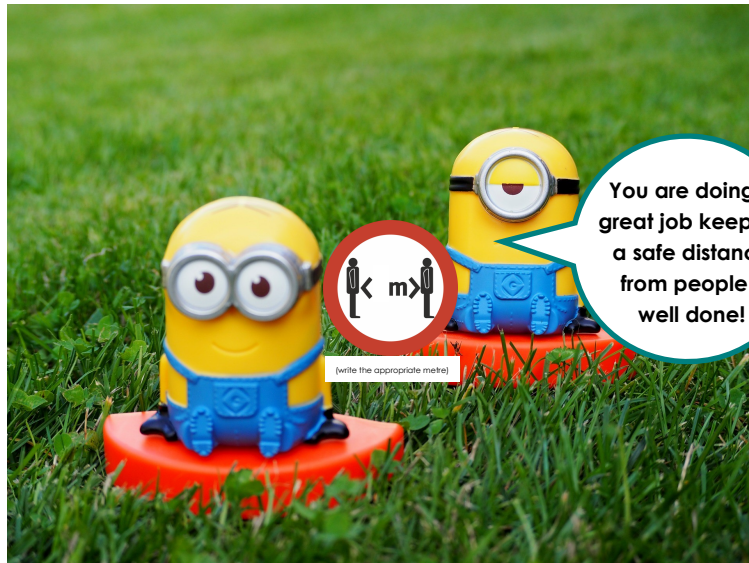

(write the appropriate metre)

You are doing a great job keeping a safe distance from people - well done!
