

THE SHOPS ARE OPEN AGAIN

1

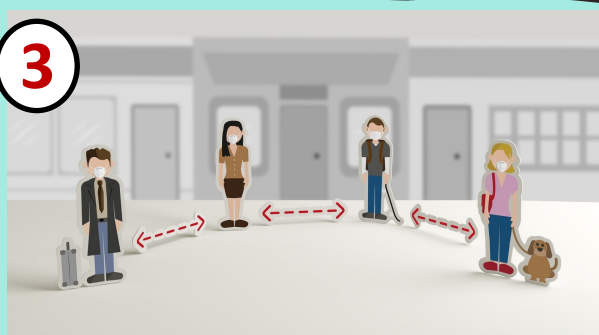

My Mum or Dad will tell me when it is safe to go to the shops in my area.

2

The social distancing rule is the same as before.

3

I may need to wait in a queue before I can go into the shop.

4

Mum or Dad will tell me if I should wear a mask when I am inside the shop.

5

I use hand sanitiser before entering the shop and as I leave the shop.

6

I wash my hands for 20 seconds when I get home from the shops.
