

Christmas Dinner

1

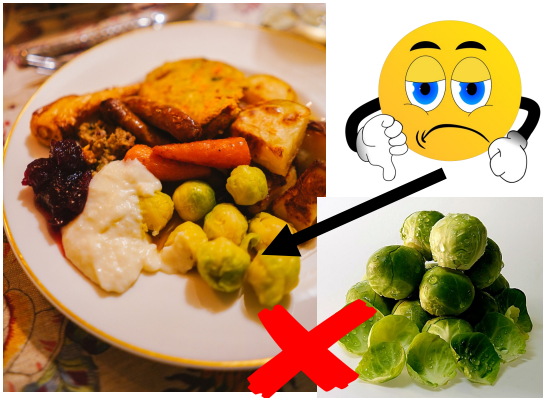

On Christmas Day everyone will eat a special dinner together.

2

I will sit at the table and try some things on my plate. They might taste really good.

3

If I don't like anything, I will leave it on my plate, and that's OK.

4

Change card

No brussels sprouts

Peas instead

My family might make me food that I do like instead.

5

If there are lots of noises and smells that I don't like at the table, I can leave. I might eat my dinner in a quiet place instead.

6

When the dinner is over, I can play with my toys or watch TV.
