GOAL THE EGG!

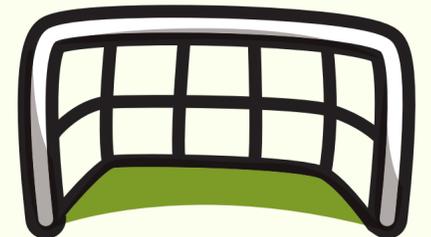

•Hard boil a few eggs. Set them aside to cool.

•Traditionally, people roll the eggs down a slope as part of an egg race.

•However, you can create two small goal posts at an appropriate distance.

•Take turns and roll the eggs between the goal posts. Decide on the number of turns each person gets.

•The person who has the maximum score is the winner.

In the case of a tie, you can increase the distance between the goal posts and have a re-take.
