Ingredients

- 2 tbsp table salt
- 60ml warm water
- Red food colouring
- 1 tbsp vegetable oil

Valentine's Playdough

Optional- Add a sachet of jelly powder to give it a lovely scent (raspberry or strawberry)

Method

1. Mix the flour and salt in a large bowl. In a separate bowl mix together the water, a few drops of food colouring and the oil.
2. Pour the coloured water into the flour mix and bring together with a spoon.
3. Dust a work surface with a little flour and turn out the dough. Knead together for a few minutes to form a smooth, pliable dough. If you want a more intense colour you can work in a few extra drops of food colouring.
4. Store in a plastic sandwich bag (squeeze out the air) in the fridge to keep it fresh.
