SQUIRT DOWN LEGO

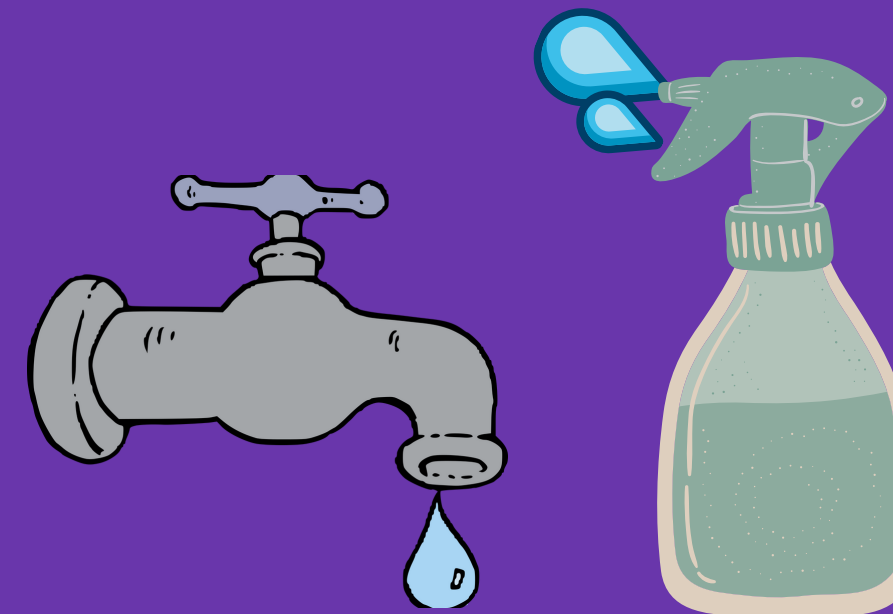

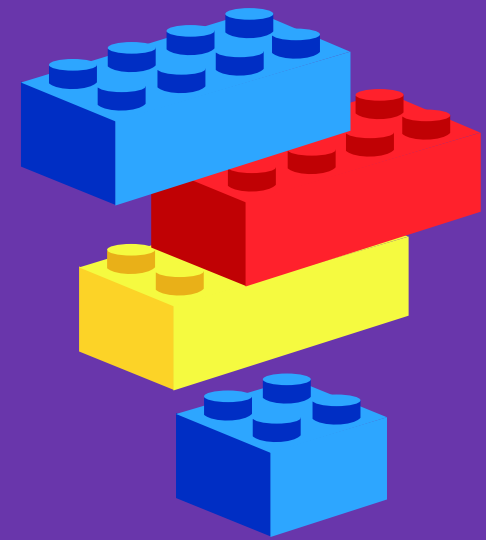

**CAN YOU KNOCK THE
TOWER DOWN?**

★ WHAT YOU WILL NEED: ★

SQUIRT DOWN LEGO

OUTDOOR PLAY

Lego or Duplo bricks

Laundry basket

or Cardboard box

Empty spray bottle filled with tap water

★ HOW TO PLAY: ★

- Gather some LEGO or DUPLO bricks.
- Set up some boxes or laundry baskets and turn them upside down to be tables.
- Build up your LEGO creations/towers on top of the basket or cardboard box.
- Fill up your empty spray bottle with tap water.
- Now for the best bit! - have a go at trying to knock your creations down by squirting them only with your water bottle!
- Try standing close then a little further away - see what works the best!
- Build smaller towers then really tall towers!

Most of all - just have fun!
