

# Non-uniform day

1

My school is having a non-uniform day.

2

Everyone will choose their own clothes to wear.

3

I can choose my favourite outfit.

4

There might be some rules about what I can and can't wear.

5

It's my choice

Or I can still wear my school uniform because that is what I like to wear to school.

6

Things will look different on non-uniform day but it is still my school and the same teacher and classmates.
