SOCIAL NARRATIVE

ASKING TO PLAY WITH OTHERS

ASKING TO PLAY WITH OTHERS

1

Sometimes I like to play with friends.

2

I can ask them "do you want to play with me?"

3

If they say "yes" we can play together and it will be fun.

4

It's ok if they say "no"

5

I can ask someone else to play.

6

Or I can play by myself.
