Writing a Social Narrative

Doing My Schoolwork at Home

1 
I usually go to school to learn and do schoolwork.

2 
Now I have to do my schoolwork at home, though I will go back to school in the future.

3 
Now my teacher will send work to my home, I will try to do it as it will help me to learn at home.

4 
My mummy or daddy will help me do my schoolwork at home. We will usually have time during the day to work on schoolwork together.

5 
Sometimes during the day my mummy and daddy will have other things they need to do. It will help if I have something to do when this is happening. I might have to be quiet as they could be doing work for their job or helping my brothers/sisters with their schoolwork.

6 
When I am not doing schoolwork, I can do other things I enjoy - like baking, drawing, reading or playing games!

Include the target, behaviour or skill in the title

Write in the first person (I or me) and in the present tense

Write a descriptive sentence to explain what will happen

Use pictures or drawings to support what you write

Answer if possible the 'Wh' questions and be descriptive
who, what, why, where and when?

Describe exactly what you expect from the child

Always keep it positive
