What are

GCSEs?

What are GCSEs?

GCSEs or Level 2 certificates are a measure of your performance in ONE particular subject area.

- They can be assessed by exams, practical work and coursework.
- They are a **passport** to further study, apprenticeships or a job.

Grade

Meaning

A, A*

Exceptional performance

B, C*

Good performance

C

Standard performance

D - G

Working towards standard performance

It is important to remember that employers also look for hard workers, good problem solving, good communication and teamwork skills.

You may also think about how your interests could lead to a job.
