- 5 pieces of wool (6cm)

Step 1

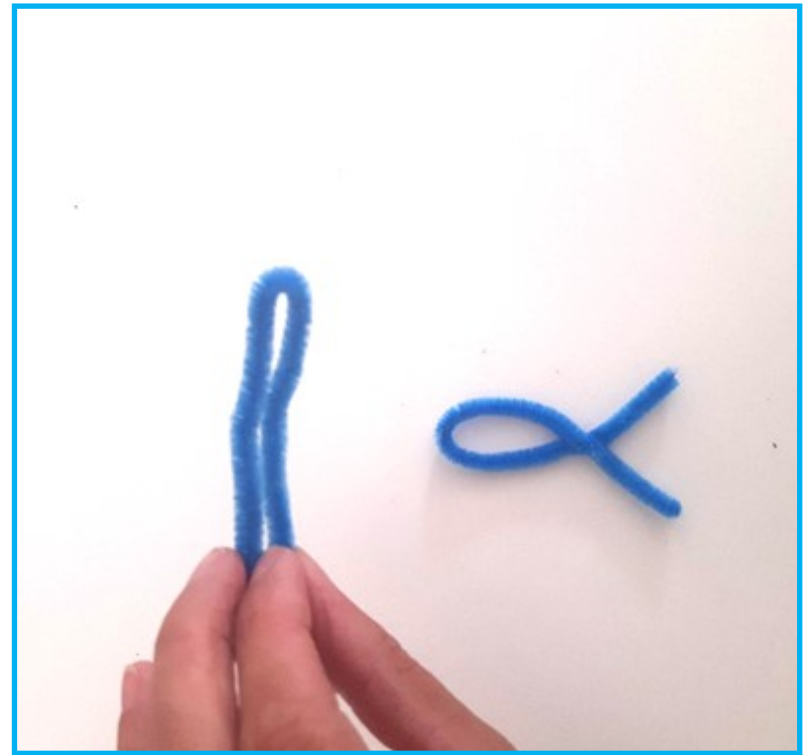

Step 1: Cut the pipe cleaner in half

Step 2

Step 2: Take one piece of pipe cleaner.
Make a loop for the head and twist ends to
make legs

Step 3

Step 3: Take the second half of pipe
cleaner and fold it in half

Step 4

Step 4: Place it under the head and twist it back on itself to make arms

Step 5

Step 5: Take one piece of thread and fold in half

Step 6

Step 6: Feed thread through head and secure

Step 7

Step 7: Add two more thread pieces in the same way

Step 8

Step 8: Place material over head

Step 9

Step 9: Secure material with thread

You are finished - well done!
